

East Valley Photo Club

Changing a Password in a User Account

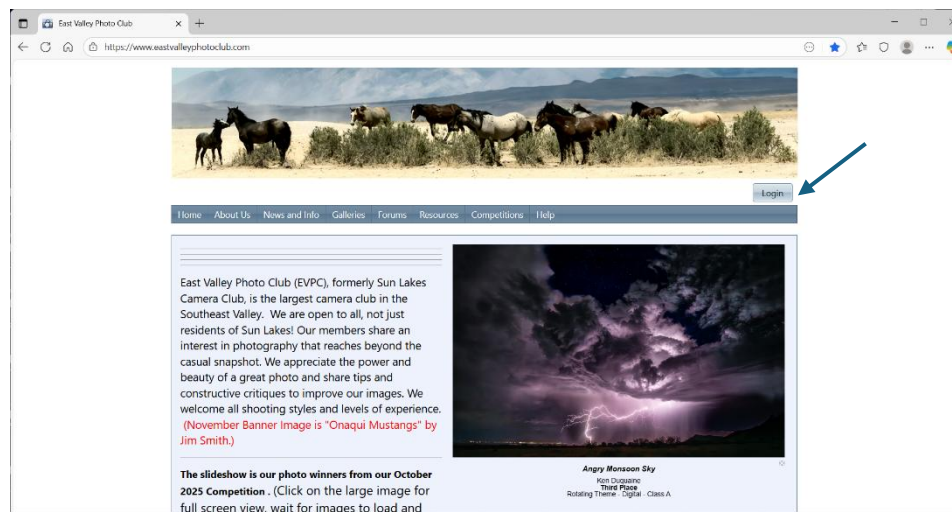

November 2, 2025

Follow these steps using the screen shots to help guide you through the process of changing password in your East Valley Photo Club account with the Visual Pursuits website.

Visual Pursuits sent you an email with your new password for the East Valley Photo Club Visual Pursuits User Account.

1. Access the website at [East Valley Photo Club](https://www.eastvalleyphotoclub.com). This screen will appear. Click the LOGIN button.

2. Type in your LOGIN NAME which is normally your first and last name without any space between the two names. Type in the password sent to you by Visual Pursuits. Finally, click the LOGIN button.

The screenshot shows the login page of the East Valley Photo Club website. The navigation bar at the top includes links for Home, About Us, News and Info, Galleries, Forums, Resources, Competitions, My Account, and Help. The main content area has a login form with fields for 'Login Name' and 'Password', a 'Remember me' checkbox, and a 'Login' button. A 'Return' link is also present. Below the login form is a link for 'Need help logging into your account?' and a 'Video on Logging in and Password Reset' link. A 'Reset Your Password' section is also visible, with a 'Reset Password' button. Callouts are present: '1. Type in your LOGIN NAME' points to the Login Name field, '2. Type in your old PASSWORD' points to the Password field, and '3. Select the LOGIN button' points to the Login button.

3. In the new screen, select the MY ACCOUNT tab from the menu bar, and select MY ACCOUNT SETTINGS from the pull-down menu.

Change Login Password

Your Login Name and Password will be used when you login to this site. Please do not share any password with anyone, not even a web site administrator. You will retain the ability to reset your account to a random password if necessary.

Your password must be at least 7 characters long. It should contain numeric characters and should not contain any real words. Punctuation is allowed and encouraged. The most secure and easily remembered passwords use the first letters of each word in a phrase, while inserting numeric or punctuation characters in meaningful locations.

Current Password	<input type="password"/>
New Password	<input type="password"/>
Confirm New Password	<input type="password"/>

4. Put the Visual Pursuits supplied password into the CURRENT PASSWORD window

5. Put your new password in the NEW PASSWORD window and in the CONFIRM window

6. Select the CHANGE PASSWORD button
